

RUBRIC TO EVALUATE

IT'S ABOUT ENGAGEMENT TRAVEL FUNDS

Please use this rubric to evaluate proposals for <i>It's All About Engagement</i> travel funds. After considering the criteria collectively and holistically, please assign a one- to five-star rating for each proposal on the spreadsheet provided.				
	Highest Priority for Funding	High Priority for Funding	Moderate Priority for Funding	Low Priority for Funding
Priority: Focus of Opportunity	Conference, institute, or other opportunity has significant focus on course development for an It's About Engagement area	N/A	N/A	Conference, institute, or other opportunity has no significant focus on course development for an It's About Engagement area
Criterion: Innovation	The proposal describes significant tangible changes illustrating differences from current practice in the ways students are engaged.	The proposal describes moderate tangible changes illustrating differences from current practice in the ways students are engaged.	The proposal describes minor tangible changes illustrating differences from current practice in the ways students are engaged.	The proposal describes no tangible changes illustrating differences from current practice in the ways students are engaged.
Criterion: Impact	The proposal impact is explicitly described using hard evidence connected to assessment or gap data.	The proposal impact includes hard evidence connected to assessment or gap data.	The proposal impact makes some reference to hard evidence connected to assessment or gap data.	The proposal impact lacks hard evidence connected to assessment or gap data.
